

Permission Form-CR South

I grant permission for _____ (student name) to participate in the Council Rock High School South Ski & Snowboard Club. I agree that the district and/or its employees cannot be held responsible for any injury that might occur while my student is participating in this program. I also understand that all rules regarding student behavior in school are applicable while attending all CRHSS Ski & Snowboard Club functions and I agree with rules regarding use of a helmet.

- If a parent is requesting permission to pick up their child from Blue Mountain, they must email the advisor (Jen Nicholl Jnicholl@crsd.org) **3 days prior to the trip** so safe arrangements can be made and confirmed by the school. **Only the parent or guardian may pick up their child.**
- **Students are required to wear a helmet.** This provides safety and warmth and has become an industry standard. This rule has saved many students from a trip to the hospital. No helmet, no go!!! **If you are caught without a helmet by any of the chaperones you will be suspended from the next trip. Any second time offender will be removed from the club.** The bottom line is everyone needs to either bring a helmet or rent one. **If you are injured in any way, you must go to the infirmary where they will notify your chaperone.**

Buses are filled up as payments are received by the adviser and chaperones. Once you are assigned to a bus, **YOU MAY NOT** change. **Buses will be posted the day of the first trip.** If you agree with the information on this page, please complete the below information.
